

Reflecting on Prevention

In this lesson and the previous lessons, you read about many program management practices and facility features that prevent child abuse and neglect. Take a few minutes to reflect on those practices or features in your facility and answer the questions. Are you doing all you can to prevent child abuse and neglect? What could be improved?

Prevention Practice or Feature	What concerns do you have (or do you anticipate having) about this practice or feature?	What could improve this practice or feature in your program?
