

Staff Survey

Date: _____

Name: _____ (optional)

1. List the 5 most important factors when it comes to the care you provide to children in your program; with the first being what’s most important.

1. _____
2. _____
3. _____
4. _____
5. _____

2. Were you able to answer all of the questions asked by families during the orientation process? Yes or No? If not what have you done to find the answers?

3. Did any of the families of children in your program request accommodations for their children; such as language or diet? Yes or No? If yes, were you able to honor their preferences?

4. Do you greet families at drop off and pick up? Yes or No?

5. Do you act friendly towards families?

6. Do you feel comfortable when approached by families with a question or concern? Yes or No? If no, what would make you feel more comfortable?

7. Do you feel you communicate with the families of children in your care in a timely and appropriate manner? Yes or No? If no, what could be done to improve your communication?

8. Do you feel that you respect and include the cultures and diversity of families in the program? Yes or No? If no, what could be done to embrace diversity?

9. Are there programs and/or resources that are lacking and that you would like to offer? If yes, what are they?

10. What recommendations do you have that could strengthen the program?

Thanks for taking the time to answer these questions. Your responses assist us in our continuous improvement efforts.
