Make Your Own Bingo Board

Facilitator Guide: Bingo

Provide each staff member with a bingo board and a pencil.

Randomly read items from the left side of this list. Place a check mark beside the item when you read it. To finish the game, you may need to read some items more than once.

When you read an item, ask the staff members to write the name of the item in a Bingo Square that matches the cleaning procedure. The first person to get five correct up, down, across, or diagonal wins.

<input checked="" type="checkbox"/> <input checked="" type="checkbox"/> Item	Procedure
Soiled toy (sneezed on, etc.)	Clean and sanitize after use
