

Practical Suggestions for the Classroom Teacher or Parent: Facilitating Emotional Development Reflection

(Adapted from Dr. Barbara Fatum, 2013: <http://www.6seconds.org>)

What suggestions will you incorporate into your daily interactions with children, staff, and families in your program? How will you monitor your progress?

1: Suggestions I will incorporate in my daily interactions with children, staff, and families in my program:

2: Ways in which I will monitor my progress:
